Children's Christmas lunch

Just a reminder, the deadline for ordering your child's school Christmas lunch is next week. If you didn't get an order form or haven't returned it yet, please see Jenny in the office who will be able to give you an order form or accept orders forms and payment.

Head Lice

Further to my letter in the week, we do still have head lice in school and we must all take action to get rid of the little of critters! The NHS has some excellent advice about how to remove them from your children's hair. The link is <http://www.nhs.uk/conditions/head-lice/pages/treatment.aspx>

Parents Survey

Thank you to the 34 parents and carers who have taken the time to submit responses to our parent's survey this year (I sent the link in an email to everyone on Monday). The survey will stay open and be accepting responses until midday on Monday 28 November. At that point, I will sit down with my leadership team and analyse the results. As part of that process I will be contacting any parents who added their contact details to the form to discuss their responses and what we as a school can learn from them to move forward and improve.

News from the PTA

There is no new news from the PTA this week but they have asked me to include these reminders...
