

HPS Friday Bulletin

A Challenging but Successful Year

What a year it has been at HPS! A year full of successes but a year that hasn't been without its challenges. We have faced up to them with a positive mindset and always tried our very best to overcome them; I'd like to thank every member of the team at HPS for their unwavering dedication to their roles within school this year and wish them all a very relaxing summer holiday and a well-earned rest! Colleagues, thank you!

I also like to thank every one of the children in school for their hard work this year! They should be very proud of everything they have achieved since September.

We say goodbye to our year 6 students, and other students who are moving on, and wish them luck for next year knowing that we did our best to instil in them a genuine love of learning and an enthusiasm for school. We look forward to hearing of many success stories in the coming years! Good luck year 6!

I also need to put on the record my thanks to you for your continued support of the work we do here. Because of the improvements we've made this past year, we know we are in a better place now than we were 12 months ago, but we also know that we still have work to do. Next year promises to be the most successful year yet at HPS and we're looking forward to sharing it with you. Have a fantastic summer holiday everyone, see you in September.

The children return to school on TUESDAY 5th September; we look forward to seeing them all then.
