Friday	13.1.17	3.15pm-4.30pm	Hang Out after school club

Happy New Year!

I hope you all had a fantastic Christmas and New Year! The children have returned to school with a fantastic attitude to their learning and to see them so engaged in their new topics blew away the January blues very quickly! It promises to be a very exciting term with lots of new learning taking place, new ideas being shared and new trips being planned. More details of those will be sent later in the year, needless to say that there some very exciting plans for the term ahead!

Do we have the correct contact information for you?

If you have updated your mobile number or changed your email address, please let the office know so we can update our records. Up to date contact information, including email addresses, is vital should we every need to contact you in an emergency.

School absences

It is around about this time of the year that we all like to look ahead to our summer holiday and I generally have a lot of requests for holidays during term time. As per our policy, I am not allowed to authorise any time off during term time unless in exceptional circumstances; family holidays cannot be classed as exceptional circumstances, sorry.

On a more positive note, you may remember that earlier in the year that I mentioned one of school targets was to improve the overall attendance figure? I am pleased to say that our whole school attendance figure is now at 95.61%. This is a slight improvement on last year. Our school target is 96% so there is still some work to do. Every time your child takes time off, they miss vital learning, so it is really important that time off school is kept to a minimum.

Peachtree numbers

We are very pleased to say that we have seen a slight increase in the numbers of students coming to Peachtree this term. We do still need more students. Can I please ask that if you know anyone who is looking for a pre-school place for their children and don't already know about us, to please share our details so that we can see Peachtree thriving once again?

Hornton Primary School, Church Lane, The Green, Hornton, Banbury, Oxfordshire, OX15 6BZ
