A message from The Warriner School

The Warriner School Swimming Pool

We have a 25m outdoor swimming pool which, up until now, has been closed for 6 months of the year. Very excitingly, we will soon be covering and heating the pool so that it can be enjoyed all year around.

The pool will be used for PE and swimming lessons, but we are also considering how we might open it up for community / casual swim sessions.

We are carrying out some research to see what the local demand might be and would be very grateful if you would take a few minutes to complete this online survey.

Labelling of Uniform

Please can we ask that all school uniform is clearly labelled with your child's name. We have various items of clothing left in the playground which we cannot return as there is no name in them. Thank you.
