Friday	20.7.18	8am-9am 9.30am Lunchtime 3.15pm-4.30pm	Breakfast club Leavers Assembly in the church KS2 Eco Club Hang out after school club

Year 6 Cycling Proficiency

A big thank you to Mr Harris and Mr Patching who supported year 6 as they completed their cycling proficiency training this week.

After school clubs next year

I am in the final stages of organising our after school clubs for next year. I have mentioned before about our new football club in partnership with Oxford United. The coaches will be in school early next term to run a taster session and to give out letters about the club. I know having spoken to various parents about this, this club will be popular – it is taking place on Mondays after school. I am pleased to say that Mrs Short will be running an after school Forest School Club on a Tuesday after school for years 1 and 2 – more details will be sent out in September. After the popularity of his 'All Star Choir' Will Homeward will start a new choir next term – I am in discussions with Will about which day best suits his hectic schedule – I will let you know as soon as we have agreed. I am also in discussion with Will about setting up 'Rock School' – a rock based orchestra. These discussions are at a very early stage and I will details later in the year.

I will be running an after school art club for year 2 and 3 so we can continue work on our rainforest artwork – this will take place on a Thursday after school for as many weeks as it takes to get the artwork finished. I will send details to year 2 and 3 in September. We will continue with KS2 eco club at lunchtime on a Friday for as long as the weather allows us. I am also in discussions with a company about the possibility of setting up a Minecraft club after school club – again these discussions are in the earliest stages but I will send more information across in September once plans when and if plans get finalised.

Year 6 Warriner Transition Day

We will be without most of our year 6 students on Monday and Tuesday next week as they take part in their 2 transition days at Warriner. Good luck year 6.

Library Update

We are moving along with the library installation. We have arranged for decorators to decorate the space during the holiday ready for the installation on August 30th. I have spoken to some of the children about what kind of colour they would like and whether they would like an additional art work etc to be on the wall. I will take their opinions into account when choosing a colour scheme. On September 4 we have arranged for a company to spend the day in school cataloguing all of our books and to install our new junior librarian computer program which will allow our children to scan books in and out of the library. Our next library update will be in September when I will be able to share some photos of the new space with you all.

Music Lessons from September

We are changing the way we organise the administration for our individual music lesson in school from September. Our music teachers will contact you directly to arrange payment for music lessons in the future. They will be organising their lesson for next year in September. Keep a look out for communication from them.

Pets and vehicles

I am sad to report that a young cat belonging to one of our families was struck by a car this week, it passed away before it's owners could get to it. They wanted me to remind everyone to please take care when driving through the village, not only to keep a look out for children but to also keep a look out for their pets too.

Attendance this week	Thought for the day...
Reception –96% Year 1 – 90% Year 2 – 94% Year 3 – 100% Well done, that's the second week in a row! Year 4 – 95% Year 5 – 99% Year 6 – 95% Whole school average – 96%	<p style="text-align: center;">EVERY INCH OF PROGRESS IS WON IN STRUGGLE</p> <p style="text-align: center;">KATHA POLLITT</p>
Diary Dates	
13.7.18 – PTA summer disco 20.7.18 – 9.30am – leavers assembly 20.7.18 – break up for the summer holidays	
News from the PTA

HPS Achievements this week

Work of the Week

Orchard Class – everyone – for their brilliant progress all year!

Oak Class – Lizzie – for her fantastic sensory poem and accompanying illustrations

Willow Class – Emlyn - for really giving his best on Tuesday at the Striking and Fielding festival, and always working extremely hard each and every day.

Rowan Class – Archie and Riley - for stepping up to the plate as future year 6s and modelling our class's very clear expectations

A special Headteacher mention to **Jacob E and Martha** who came up to my office this morning to show me some very impressive science work. Well done both of you!

With best wishes,
Matt Green
Head Teacher
