

<p>English</p> <p>This powerful and thought-provoking text will enable children to explore the beauty and dangers of nature as well as the importance of boundaries and self-restraint.</p> <p>Writing outcomes:</p> <ul style="list-style-type: none"> • Character description (entertain) • Narrative (entertain) • Argument (discuss) 	<p>Maths</p> <p>Children will continue to develop their understanding of Addition and Subtraction, before moving on to Multiplication and Division. They will learn how to use formal methods of multiplication and division, and improve their knowledge of the time tables.</p>	<p>Science</p> <p>Children will compare and group materials together, according to whether they are solids, liquids or gases. They will also observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius (°C). Children will be able to identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature. Children will be working scientifically in many investigations, recording results, and presenting findings.</p>
<p>ICT</p> <p>Children will use sequence, selection, and repetition in Scratch; working with variables and various forms of input and output, to create diagrams of molecules. They will use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs.</p>		<p>R.E.</p> <p>Children will develop a basic understanding of the major religions of the world. They will begin to understand the beliefs, places of worship, and other interesting information about each.</p> <p>Children will investigate and learn about creation stories in different religion, linking these to the creation of animals in the text.</p> <p>All R.E. related work will link to the British Value of Tolerance, and children will understand the importance of this.</p>
		<p>Music</p> <p>Children will continue to develop their understanding of playing the recorder.</p>
<p>Visits, Stimulus and Key Vocabulary</p> <p>State, matter, solid, liquid, gas, water, temperature, freeze, boil, evaporate, condense, heating, cooling, ice, steam, water vapour, lakes, river, mountain, cloud, rain, sea, changing state, fog, mist, Computer, Algorithm, Sequence, Selection, Repetition/Repeat, Output, Input, Alarm, Scratch, Sprite, Script, Costume, Motion, Sound, Water, river, mountains, sea, relief, rain, cloud, precipitation, snow,</p>
