### Bikeability

It's been a busy week for year 6 this week. They have been taking part in their Bikeability Level 1 and Level 2 training every morning this week with today being test day. I am pleased to report that every member of year 6 who took the training passed the test today! Congratulations all!

### Willow Class swimming

Unfortunately, to due circumstances beyond our control, we have had to postpone Willow's swimming session this coming Friday, 14<sup>th</sup> June. To make up for the lost session, we have extended the number of weeks we will swim and so there will now be a session on Friday 19<sup>th</sup> July.

### After School Cricket Club

Following the successful 3 week trial of our new after school cricket with Chance to Shine, I am pleased to say that we will be continuing to work them. After school cricket club will continue on a Monday after school until the end term. Letters have gone home already.

### Pavilion Update

The pavilion committee have informed me that work to replace the roof is due to start on Monday 17<sup>th</sup> June. They have also sent me all the relevant risk assessments and method statements for the work. I am grateful to them for keeping us informed. As a way of reassuring you, during the work to replace the roof we will not be using any of the facilities in that part of the village.
